cavalier: sport stroller series

2002

This ain't no ordinary baby buggy!

cavalier: *sport stroller series*

Feast your eyes on Chariot's premier sport stroller. Two fully-featured models are designed to elevate strolling to a sport.

- High-performance, light-weight design and construction.
- Child-friendly padded reclining seat and weather-managing features.
- Rugged frame with lateral stiffness and passive suspension.

Too sporty? Not a chance. All of the Cavalier's 'sport' features help make it an incredible choice, even if you are just using it to stroll. The Cavalier is ultra easy to push and goes wherever you want. Over grassy hills and through quiet parks, the Cavalier is a walker's dream.

Run with the leader in child carriers.

Chariot Carriers leads the field in developing innovative products for active families. The Cavalier Sport Stroller Series is no exception. At its core is an exceptionally rigid frame. Yet thanks to an advanced, tensioned **CBD**™ (CableBeamDesign)™, the strong steel wires absorb micro-shocks and limit vibration, while saving weight and adding strength.

Running or walking... you'll definitely feel the Chariot difference.

Features of the Cavalier Series:

Safety //

- Easy-to-secure 5-point seatbelt system(s)
- Foot-activated dual rear-wheel parking brake
- Caliper running brake with locking feature and wrist safety strap
- 3M™ Scotchlite™ Reflective Material
- Tinted view-in roof port for parents
- Tinted side windows for additional UV protection

Performance //

- Advanced, lightweight, rigid anodized aluminum frames with **CBD**™ CableBeamDesign™
- 16" aluminum wheels for a smooth ride and low rolling resistance
- Chariot **StraightTrack**™ adjust system ensures perfect wheel alignment
- Chariot ergonomic **HeightRight**™ handlebars – with a 'no-flex' design
- Durable water-resistant polyester fabric

Child Comfort //

- Large, open child compartment with toy loops
- Padded, reclining seat
- Chariot **iDrink**™ child beverage pocket(s)
- Chariot **ezVisor**™ tinted 'pop-out' sun visor on folding sunshade
- High quality fitted and vented rain cover

Convenience //

- Innovative **ezFold**™ design for compact storage and transportability
- Easy push-button-release rear wheels
- Discrete wallet/key/phone pouch
- Large rear and underseat storage
- No tools required for assembly

Plus: Limited Lifetime Warranty
